Rangpur, Bangladesh
- Secondary School Certificate  
Saidpur Govt. Technical College  
CGPA: 5.00 out of 5.00  
June, 2015  
Rangpur, Bangladesh

## RESEARCH INTERESTS:

---

I have research interest in image processing, natural language processing, and reinforcement learning. The field of reinforcement learning is one that interests me right now. I'm particularly curious about the application of reinforcement learning to boost efficiency and enhance current issues with artificial intelligence-based technologies.
